Name(s) of Author(s) *Please note: all Authors must have been informed of the full content of the paper at the time of submission.*

Name of SEE Publication/Event

The procedures and requirements for the publication of papers submitted to the SEE are described below.

It is an SEE requirement that, where legally possible, every paper presented to the SEE and accepted for publication and the copyright therein shall be the property of the SEE. The copyright of the paper must be assigned to the SEE on page 2 of this form.

1. If the copyright of the paper is owned by the author(s), the Agreement should be signed and dated by the author(s) at space A. (The author(s) assert(s) to the SEE that he/she/they has/have the moral right to be identified as the author(s) of the work.

2. In the U.S.A. copyright protection is not available for work prepared by an officer or employee of the U.S. Government as part of that person's official duties, or on behalf of the U.S. Government. Similar provisions may apply to work done by Government employees in other countries. Authors should sign the form to affirm the author warranties.

3. If the copyright in the paper is owned by the organisation which employs the author(s), an authorised representative of the copyright owner should sign and date the Agreement at space B.

4. The organisation in assigning the copyright in the paper gives no warranty expressed or implied that the paper is free from defamatory matter, nor that the paper does not infringe the rights of any third party.

The organisation warrants that it:

- a) has advised the author(s) of his/her/their responsibilities to avoid defamation or infringement of third party rights, and
- b) will notify the SEE of any adverse claim that comes to its knowledge prior to publication.

5. For the avoidance of doubt, save in relation to copyright and database rights, no other intellectual property rights, such as patents, that may be referred to or described in the paper shall transfer to the SEE.

6. The party assigning to the SEE copyright and database rights in the paper shall be entitled, without payment to the SEE, to:

- a) reproduce figures or extracts from the paper with proper acknowledgement to the SEE;
- b) reuse all or portions of the paper in other works with proper acknowledgement to the SEE; and
- c) make and have made copies of the paper as published by the SEE for his/her/their/its own purposes but not for sale, provided that any reference to the SEE does not imply endorsement by the SEE of any organisation, its products or its business.

7. If the SEE agrees to publish the paper, but does not publish the paper within two years of agreeing to do so, then the author or organisation that assigned copyright and database rights in the paper to the SEE shall have the right to require the SEE to assign back the copyrights and the database rights in the paper. If for any reason the SEE fails to publish the paper then the only right and remedy against the SEE of the party that submitted the paper and/or assigned copyright and database rights in the paper to the SEE shall be to require that the copyright and any database rights in the paper are assigned back.

The author(s) assert(s) to the SEE that he/she/they has/have the moral right to be identified as the author(s) of the paper.

All authors (or an authorised agent for joint authors) of the paper must sign below:

I/We, the named author(s) of the paper confirm that the work is original, that it contains nothing defamatory, and that it may be submitted to the SEE with a view to publication. I/We agree that the SEE shall be entitled to be fully indemnified by me/us against all claims:

- (a) that the paper is defamatory, or
- (b) that the paper infringes the copyright of any third party, or
- (c) arising from any negligent or wilful mis-statements.
